Dear Reschly Relatives,

This book is the result of a chain of events.

My children are geographically removed from all their Reschly relatives and see four of their six first cousins usually once a year, and the other two not that often.

As to where they fit on the family tree of my Grandfather Joseph Reschly, they, Donna and Joann, had little knowledge until last summer when we attended the Reschly Reunion in Canada with my parents, John and Alice Reschly. By the time we left Canada I was amazed at the excitement Donna and Joann felt at learning so much family history.

Because of this, I decided to try to construct a family tree wall chart for the June 27, 1982 Reschly Reunion in Iowa so the children, grandchildren and so on know where we all belong in the family and how we are related. When many of you sent your information sheet back you asked for an updated book, so here it is. This is not so much a history as a listing of family and current addresses.

Don and I have a strong conviction, as do my parents, John and Alice Reschly, that the most important heritage we can pass down to our children is our belief in Jesus Christ, the Son of God, as our Savior. God sent His Son so that we and our children may have His peace and love in us here on earth and spend eternity with Him in heaven. The only thing we can take to heaven with us is our children and brothers and sisters in Christ. More important by far than our earthly family blood ties is being a part of the family of God.

As I worked at this book it was a privilege having an opportunity to pray for each of you by name as I compiled the listings. Through this I feel a kinship to each of you even though I have never met many of you. I pray someday we will all meet in heaven.

With love,

Jane (Reschly) Diller
